Venue – Royal College of Physicians, 9 Queen St, Edinburgh

Wed Sept. 21st

14.00 – 17.00

Neuroscience Special Interest Group Session 1: Chair - Ian Frampton

14.00 – 17.00

Research Training Session 1: “Conducting Quantitative Eating Disorder Research: From Planning to Publication” – Stephen Wonderlich and Ross Crosby

Thurs. Sept.22nd

09.00 - 12.00

Neuroscience Special Interest Group Session 2 – Ian Frampton

09.00 – 12.00

Research Training Session 2: “Conducting Quantitative Eating Disorder Research: From Planning to Publication” – Stephen Wonderlich and Ross Crosby

If you have not registered for these sessions and want to attend or require further details, please contact:

Ian Frampton regarding the neuroscience SIG (ianframpton@mac.com)

Bryan Lask regarding the research training seminar (bryanlask@mac.com)

Places are limited on both so please register quickly. Please note that there are 2 successive sessions for each of these add-ons, so attendance would be for both Wednesday afternoon and Thursday morning.
